Make sure you are authorized to travel MANDATORY ACTION

The Health Pass or PCR test is essential. Your safety is always our priority as we continue to adapt to government restrictions that affect us all. It is therefore your responsibility to verify and comply with all applicable safety restrictions and standards, which may include travel restrictions preventing you from joining us in Monaco for the Sustainable Smart Marina event. If governmental measures do not allow us to maintain it as an in-person event, it will be streamed.

Here are two links to look into the restrictions in real-time:
